Payroll Review Report

SAMPLE REPORT - FICTIONAL DATA

Report number	LCO-2026-0147	**Review**	Payslip Check
Period	July 2026	**Contract**	40 hours per week
Gross monthly salary	€ 3,450.00	**Collective labour agreement (CAO)**	Not provided

! **Result: ORANGE - one point to review**
The payslip appears largely consistent. One item should be clarified with the employer.

Review by item

Item	Payslip	Expected	Status	Explanation
Gross salary	€ 3,450.00	€ 3,450.00	**Looks correct**	Matches the salary information provided.
Contract hours	160.00	160.00	**Looks correct**	The number of hours matches the period provided.
Holiday allowance accrual	€ 276.00	€ 276.00	**Looks correct**	8% of the visible calculation base.
Payroll tax withholding	€ 623.45	Cannot be fully reconstructed	**Point to review**	An exact recalculation requires all tax parameters and payroll system data.
Employee pension contribution	€ 218.30	Cannot be fully assessed	**Cannot be assessed**	The pension scheme and pension fund calculation base were not provided.
Travel allowance	€ 120.00	€ 120.00	**Looks correct**	Matches the allowance information provided.

Finding

The visible payroll components largely match the information provided. The payroll tax withholding cannot be fully recalculated using the payslip alone. The pension deduction also cannot be assessed conclusively without details of the pension scheme or pension fund.

Recommended next step

Ask your employer or payroll department which pension scheme and calculation base were applied. If the net salary differs unexpectedly from previous months, also provide the previous payslip so that the two can be compared.
